Celina

Elegant curves, tailored appearance

Celina Lounge Seating
Designers Speak Collection
 Designed by Yohandel Ruiz of RTKL

In the spirit of creations by Mackintosh, Wright, and Baughman, the Celina lounge breaks the mold of the traditional barrel chair. Perched atop a solid wood base with angled legs, the curved wood back skin envelopes the chair as it tapers slightly towards the top. The result is a stylish, tailored appearance. A fully upholstered version offers the same effect in a more straightforward, affordable version.

A slight taper and plush materials express inviting comfort

Elegant curves and a wide selection of materials create a tailored look

A wood base provides a consistent foil to fabric or leather upholstery

Specifications

Wood seating available as a lounge chair and 2-seat or 3-seat sofa available with fixed cushions. The base is constructed of maple solids with double dowel construction and corner blocked legs and rails. Legs have nylon glides. The seat is constructed of multi-density polyurethane foam. Catalyzed lacquer finish in all Cumberland Maple finishes. Also available with down-wrapped seat cushions. Seating without a wood surround is available as a lower cost alternative.

Options

- Wood Surround: 2653-2655 feature a wood surround. 2650-2651 feature an upholstered surround.
- Finishes: Standard and custom finishes on maple
- Upholstery: Com/Col, Fabric and Elmo Leather program
- Cushions: Standard foam or optional down-wrapped seat cushion
