beautiful objects that work

Sirra

Strength and beauty in a distinctive design

Sirra Conference Table
Designed by Cumberland

A dual upper rail with three-spacer accents creates a pleasing grid pattern that forms the focal point of Sirra tables. The design, executed in Maple solids, creates a base of great strength and elegance. A range of material choices and top shapes makes Sirra tables appropriate for conference room and private office settings.

The finely finished wood top of this Sirra table creates an elegant aesthetic

The grid pattern of the table's base echoes the forms of modern architecture
