Solitaire

Effortless elegance, seamless simplicity

Solitaire Stool
Designed by Ini Archibong

Carrying the theme of the collection, the Solitaire stool exemplifies simplicity. A polished stainless steel base is refined to spare elements, suggesting the setting of a jewel; it supports a sculpted wood seat. The stool can echo the Solitaire details when used with other parts of the collection, or it can elegantly accent another environment.

A sculpted wood seat is supported by an airy polished stainless steel frame.

The base of polished stainless steel carries the refined details of the Solitaire Collection

Specifications

The stool features a sculpted wood seat affixed to a stainless steel base. The base has nylon floor glides
