Cuff Collection Stools & Ottomans

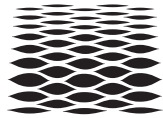

*beautiful objects that work*

**Cuff Collection Stools & Ottoman**  
*Designed by Travis Clifton*

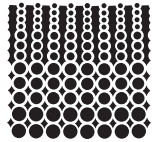

Cuff Collection stools and ottoman combine the crispness of precision-cut metal patterns with textile or leathers for a sumptuous and functional addition to many environments. Inspired by nature, craft, fashion, and architecture, the patterns add depth to a fully upholstered product. Cumberland craftsmen are uniquely prepared to deliver.

Morse Code

Wave

Polka

Basketweave

With its swivel base, the Cuff counter-height stool, shown here with Basketweave pattern in painted metal, offers a flexible, casual seating option.

A swivel base makes this chair-height stool with Polka pattern in polished stainless steel a responsive perch for guest seating. The stylish ottoman, shown with a Morse Code painted metal cuff, acts as both seating option and occasional table.

**Specifications**

Tapered and with a decorative stainless steel cuff, the stool is available in two heights, both fully upholstered and with a swivel base. The stool and ottoman are 2-inch-thick multi-density polyurethane foam over a plywood frame with welded stainless steel.

**Options**

Upholstery: COM/COL, Graded Fabric, and Elmo Leather programs  
 Cuff Pattern: Wave, Polka, and Morse Code are standard; Basketweave is also available  
 Metal: Polished and Satin Stainless Steel are standard; Statuary Bronze, Polished Brass, and Painted Metal are also available
