

CUMBERLAND

A new chapter in American wood furniture

Revo Stools

beautiful objects that work effortlessly together — anywhere

Revo Stools

Designed by David MocarSKI

Heritage woodcraft meets modern technique. A contemporary silhouette with refined proportions elevates modern environments to new heights. Available in counter- and bar-heights, Revo stools feature the elegant edges and angles of the Revo collection to provide design continuity for different functional areas within an environment.

Refined cushions echo the lines of the sculpted wooden frame.

Available with an open back for an even lighter-scale appearance.

Specifications

Counter and bar stool. Solid wood frame, with routed detailing, double-dowel construction, and corner-blocked legs and rails. Legs have nylon glides, wood stretcher and foot rail. Catalyzed lacquer finish in all Cumberland standard and custom finishes. Optional stainless steel covering on foot rest. Upholstered seat and inner back cushions are fixed. Outer back inset upholstered.

Options

- Upholstery: COM/COL, Graded Fabric, and Elmo Leather program
- Wood: Maple is standard. White Oak and Walnut are also available.
- Finishes: Available in any standard MP finish on Maple, any premium WO finish on White Oak or any premium WL finish on Walnut. Cerused finishes on Oak are available for an additional charge. Custom finishes are also available.
- Stretcher: Stool foot rail standard in wood. Optional metal covering available. Specify Polished or Satin Stainless Steel, or Statuary Bronze.
