

Tantus Bench

The precise profile of the Tantus bench makes it a striking addition to lounge areas, reception spaces, and waiting rooms. Its non-padded leather seat or optional wood inset is framed by a solid wood edge that provides strength and durability. Elegant detailing at the corner connection mirrors the design of the Tantus desk and credenza, making this bench a perfect accompaniment to these Modo collection pieces.

Specifications

Bench in 3 lengths. Non-padded inset in leather, or matching veneer inset panel extends across the top and down the sides, bordered by solid wood rails. Catalyzed lacquer finish in all Cumberland standard and custom finishes. End panels have nylon glides.

Options – Specify:

Inlay: Non-padded leather, or wood veneer. Specify COL, Elmo Leather Program, or wood veneer.

Wood: Maple is standard. Walnut and White Oak are optional, add \$400 list per item.

Finishes: Available in any standard MP finish on Maple, any premium WL finish on Walnut or any premium WO finish on White Oak. Cerused finishes on Oak are available for an additional charge of \$140 list per item. Custom finishes are also available.
