

Clover Column Swivel Stools

The Clover Collection Stool is light in scale, yet speaks of quality in its upholstery and stainless steel base. It shares with the rest of the collection the faceted seat, flowing from the front edge into the contours of the back. And as part of a collection, Clover pieces can carry a thread of design continuity throughout a space that contains different functional environments.

Specifications

Counter and bar stool. Stainless steel post, foot rest, and 4-prong base with steel glides. Upholstered multi-density polyurethane foam seat with non-return swivel mechanism. As of July 2015, the foot rest now swivels with the seat.
