

Clover Chair

The refined design of the Clover chair features faceted upholstery, marking the front edge of the seat. Variations on the base and form assure that there's an appropriate version for every environment and application. And as part of a collection, Clover pieces can carry a thread of design continuity throughout a space that contains different functional environments.

Specifications

Guest and side chair. Upholstered back cushion with rigid polyurethane core, and multi-density polyurethane foam seat. 4-leg metal chair has tubular stainless steel legs with nylon glides.

Options – Specify:

Upholstery: COM/COL, Graded Fabric, and Elmo Leather program designed specifically for Quick Ship.
 Exceptions: Due to the curves on this product, fabrics with stripes or large patterns are not recommended, as perfect alignment cannot be achieved. Mohair, velvet, high pile fabrics, and very thick leathers are also not recommended. If in doubt, please have a memo sent to our COM/COL Dept for testing.
 Metal Base: Polished or Satin Stainless Steel is standard.

Stainless Steel Tubular Base
