

Isla Table

The Isla Collection lounge features seating sections that can be interchangeably combined with each other or with the bench pieces to create different layouts. The Isla table proves to be a versatile counterpart as its curve is a perfect complement to the contours of the seating elements and can be moved with ease to accommodate nearly any configuration of the lounge and bench pieces. Isla Collection is designed to bring people together in an informal setting and can be part of any lobby, waiting room, lounge area, or workspace. Its flexibility allows it to become part of a dynamic environment and to respond to the changing needs of any organization.
